Thank you for choosing Strut Your Mutt Grooming Salon for your pet's grooming needs. Strut Your Mutt prides itself on providing the best care for your best friend. Before grooming, please read and agree to our terms of service:

- If your pet has any medical problems (seizures, arthritis, collapsing trachea, etc.), please make us aware of them so that we can take the necessary steps to ensure your pet's comfort. Sometimes grooming can expose a pre-existing condition. We cannot diagnose such a condition, but may advise you to seek veterinary attention.
- If your pet has any history of biting, we require that you notify us before grooming. This will help prevent injury to us and your pet. If your pet has behavioral issues, we are happy to work through them with you.
- If your pet has fleas, we automatically administer the flea pill, Cap Star. This is provided at a cost of \$10.00 per pill. Please initial your consent to this here _____. A flea bath will also be given at an additional cost of \$10. Please initial your consent to this here _____. These extra fees are necessary to ensure that no fleas are active in the salon. The treatment will kill the fleas on your pet, but after leaving our salon, your pet will not be protected from any fleas that may be present in your home or pet area.
- If your pet's coat is extremely matted, it may need to be shaved down. **WE WILL ONLY SHAVE YOUR PET WITH YOUR CONSENT.** If your pet should require a shave down you the client give consent to move forward for the comfort of your pet. (____) initial here. A matted coat prevents air from reaching your pet's skin and may cause your pet to bite or scratch itself, resulting in irritated skin that does not heal properly. Shaving uncovers these conditions, as well as any other skin problems that may have developed from lack of grooming. Please note that it is difficult to shave down a matted pet without slightly irritating the skin. There will be an extra charge for this service because of the time and additional blades needed.
- Charge cards accepted, no checks.
- Strut Your Mutt Pet Grooming reserves the right to refuse service to customers whose pets may pose a threat to our employees or other pets in our care. This includes aggression problems, health problems, and parasite problems other than fleas.
- Although accidents are very rare, there is a risk when dealing with pets. Strut Your Mutt Pet Grooming will inform you immediately of any incident that occurs or any condition that we notice. Your pet's safety and comfort is our number one priority.
- **ALL PETS MUST BE CURRENT ON VACCINATIONS BEFORE GROOMING.**
